

The Leah Menshouse Springer Summer Opportunities Program Application Guidelines and Form

► Program Overview

Siteman Cancer Center at Barnes-Jewish Hospital and Washington University School of Medicine invites undergraduate, graduate and medical students to participate in the Leah Menshouse Springer Summer Opportunities Program. The Summer Opportunities Program is designed to provide students with hands-on cancer research experience for 10 weeks over the summer. Opportunities range from basic science research to clinical research to prevention/control and population research.

In addition to completing a research project with a faculty mentor, participants also engage in a variety of other activities as part of the program, including tours of state-of-the-art cancer treatment and research facilities and weekly seminars on current areas of research and career building tools.

Siteman is now accepting applications for summer 2019. Please see below on how to apply. For questions related to the program, please e-mail SCCsummeropportunities@wudosis.wustl.edu.

► Application Deadline

Application deadline: **January 14, 2019 (6:00 pm EST/5:00 pm CST)**

The application process is supported by proposalCENTRAL (<https://proposalcentral.altum.com/>). Instructions are provided in the next section. In addition to the application form included in this packet, the following materials are required:

- Current Curriculum Vitae or Resume
- Undergraduate transcript(s)
- Graduate School transcript / Medical School letter of good standing
- Two (2) letters of reference

*Application materials, including reference letters, submitted after the deadline will not be accepted. It is the **responsibility of the applicant** to ensure all materials are uploaded and received prior to the deadline. The application **must be submitted** via proposalCENTRAL prior to the deadline to be reviewed.*
