

# Empowering MBC Voices

Tuesday, June 9th, 2026 | 4-5:30PM CST

Please join us

for our Metastatic Breast Cancer (MBC) Webinar Series, designed to empower patients, caregivers, and healthcare professionals with the latest insights, resources, and strategies to improve care and quality of life—for all who are navigating the challenges of metastatic breast cancer.

Topic:

Palliative Care: Family Caretaker Support

Jacquelyn Benson, PhD, MA,  
FGSA  
Associate Professor of Medicine  
Division of Palliative Care
